

The Butterfield Trail Association & Historical Society of Logan County, Kansas

August 2011

In our last newsletter, we inadvertently left off Harley Herschberger, Dave Lamb, Gayle Mollenkamp, and Dan and Robin Rogge from the list of donors for the **new sign**, which was installed on June 14th. Harley donated in memory of his parents, Raymond and Hazel, and his sister, Gladys Dean; Dave in memory of his father, Jack; Dan & Robin in memory of her dad, Bob Siruta; Gayle in memory of his wife, Marilyn. Thank you all very much.

The remaining cost of the sign will come out of these existing **memorial accounts**: Maxine Andrews, Roy Atterberry, Karleen Rogge Cook, Jeanne Eide, Doug Fuller, Michael Gadash, Johnnie Glanville, Raymond Haremza, G. M. Hayes, Marge Hileman, Eleanor Hooker, David Howard, Ruth Jackson, Art Lindenmuth, Frank & Katherine Lowe, Marilyn Mollenkamp, Alberta Radnor, Kay Repshire, Ermel & Charlotte Rogers, Bob Siruta, Anna Volkman, and Vain Watt, Jr.

We certainly appreciate it when a family designates us as a memorial recipient when their loved one passes. For a minimum of \$25.00, their name, birth year, and death year are placed on a brass nameplate and put on one of our **Memorial Plaques**. We are almost ready to start on the third plaque.

If you can help us, we need **address updates** for those members who have moved and are not receiving our mailings.

We have received a generous **donation** of \$500 from the Seele Foundation again this year. A heartfelt thank you goes out to them.

Old Settler's Day is coming up on September 4th, and we're looking forward to having all of you and your families here. The agenda is as it has been for the last few years:

8:00 AM CDT: Church Service

9:00 AM: "Old Settlers" register at the museum (those 70 years old and older)

9:30 AM: Register to be in the Parade downtown on Grand Ave.

10:00 AM: Parade

11:00 AM: Cow Chip Throwing Contest north of the school

NOON: Hamburger Feed - you may bring a salad/side dish to share.

1:00 PM: Drawing for 3 prizes for the "Old Settlers" who registered and reading of the names of those from this area who have passed away in the last year.
